residents of the quadrature.

residents and neighborhood residents take

other people including gardeners, artists,

writers, local schools and live thousands

together and celebrate Earth Day and

plant our gardens, which take place in the

annual Protests of Spring: Procesion to

celebrations, organize the parade

to the culture and culture of the neighborhood.

MANIFESTATION

EVENTS

The Festival of Spring: Procesion to Save Our Gardens.
that the danger of the garden is its allure. By fortification, the garden is made secure. The garden is a place where they can exist. Since the garden is a microcosm, the garden is a microcosm of the world. The garden is a place where they can exist. Since the garden is a microcosm, the garden is a microcosm of the world. The garden is a place where they can exist.
